Sub-region overall record determines seeding in the Region tournament. Sub-region B has 6 teams and the #5/#6 seeds will play prior to the start of the Region tournament to see which team qualifies for the tournament. The Sub-Region A and B regular season champions automatically qualify for the state tournament and will play a best 2 of 3 series to determine the #1 seed (winner) with the loser gaining the #2 seed. The remaining 8 teams from sub-region A and B will play a double-elimination tournament with the winner earning the #3 seed and the runner-up earning the #4 seed to the state tournament. Region tournament game sites will be based on seeds. The top 4 teams from the Region tournament as determined by the above format will advance to the first round of the state playoffs with best 2 of 3 series hosted by higher seeded teams. Round #1 of the state playoffs is 10/13-14, round #2 is 10/20-21, and the softball state championship tournament is Thursday-Saturday, 10/28-30, in Columbus, GA.

Johns Creek is a member of Region 7-AAAA, Sub-region "B" for the 2010 season
Sub-Region B Schools (Chattahoochee, Creekview, Forsyth Central, Johns Creek, Lambert, South Forsyth)
