

SOFTBALL

2012 Summer HS Softball League
Host Sites: Johns Creek and Creekview HS

We want to welcome you to the 2012 summer high school softball league hosted by Johns Creek and Creekview High Schools. We are very happy to have each of your teams as participants and we know that your teams will find it a rewarding experience. Both sites will have personnel at the field on Mondays starting an hour prior to the 1st game until closing to prepare the field, assist teams as needed during warm-ups and games, to operate the scoreboard, and to staff concessions. There are no gates fees and we have plenty of seating and close-by parking at both venues.

The purpose of this form is to collect some information regarding your participation that will help us move forward with game scheduling and also determine where we can offer an opportunity for a doubleheader or where an additional team might be needed to fill some openings. Please provide us with the contact information for your team as noted below. Additionally, let us know which Monday nights your team is available. We will have 3 time slots on each Monday at Johns Creek HS and 3 time slots on each Monday except one at Creekview HS. Creekview HS will field two teams this summer and games at their site will always include one of their two teams. We will do our best to balance the schedule recognizing that certain teams have further to travel than others. Thanks again for joining us this summer and let us know if you have any questions.

Billy Nicholson, Head Coach, Johns Creek HS
Chance Cain, Head Coach, Creekview HS
Reese Jacobs, President & League Coordinator, JCHS Diamond Club
